

# BOUNDLESS POSSIBILITY

27,407

students impacted in 23-24

205,684

instructional contact hours

498

volunteers engaged

139

schools served

304

community & business partners

## JANCO's Reach

16-county footprint

### JA's Global Vision Statement:

Young people have the skillset and mindset to build thriving communities.

## FINANCIAL LITERACY

After taking JA's Financial Literacy Semester Long Course....

58%

more students could more clearly identify different functions of money

47%

more students understood the difference earnings and deductions to calculate net pay

24%

more students understood budgeting and its importance

### JA gives Young People Confidence with Money.

Students showed a 20% knowledge gain in areas such as calculating net pay, identifying different financial institutions and their functions, and articulating the importance of keeping a budget.

*"I think financial literacy is so important to today's students because consumer debt is at an all time high. Hopefully, by educating students in high school before they get bombarded with easy credit applications they can become wise consumers & be able to critically evaluated their options."*

- JA Financial Literacy for Ohio Teacher, GlenOak High School
