

Be an Entrepreneur

After watching the *JA Our Region* Lesson 1 volunteer video session, complete the following activity.

Materials

- Drawing paper
- Markers, colored pencils, or crayons

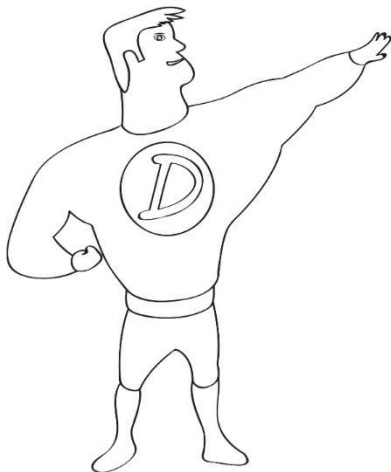

Activity

Create an entrepreneur super hero.

- Use the traits that entrepreneurs possess, such as determination, persistence, motivation, innovation, humility, organization, creativity, confidence, boldness, team player, risk taker, problem solver.
- Draw your entrepreneur superhero and think of the business that your hero started. You might consider how the business helps the community.
- Label the ways your hero uses entrepreneurial traits as superpowers to get the product to market and make a profit.

Here's an example to get you started:

Determined Dan did not give up when confronted with challenges. In the face of people who did not believe in *his product*, he:

Creatively used his good ideas to invent a *new product*.

Confidently completed each task to perfect *his product*.

Assembled a **top notch team** to produce and market *his product*.

Kept a **positive attitude**.
