

2025-2026

IMPACT REPORT

JA is reimagining education so every student can envision and pursue a successful future. Through **real-world** learning experiences, we help young people build durable skills, **discover opportunity**, and become confident, capable, and **connected**. In doing so, we drive lasting economic mobility and **prepare students for what's next**.

WHY JA? WHY NOW?

AMPLIFYING EXPERIENTIAL LEARNING WITH REAL-WORLD APPLICATION.

CATALYZING MULTI-SECTOR COLLABORATIONS.

EQUIPPING STUDENTS WITH DURABLE SKILLS & COMPETENCIES.

ACTIVATING INFRASTRUCTURE FOR INNOVATION.

NATIONAL AWARDS

celebrated innovation and impact
of Hoover and Jackson High
School student run companies

“

“Junior Achievement helped me become more responsible, aware, and prepared for life beyond high school. Because of JA, I feel better equipped to contribute positively to my community and society as a whole.”

-JA ALUM, Hoover High School
