JA Personal Finance 2.0

Junior Achievement is the nation's largest organization dedicated to giving young people the knowledge and skills they need to own their economic success, plan for their futures, and make smart academic and economic choices.

JA Personal Finance 2.0 Overview

JA Personal Finance 2.0 introduces high school students to the interrelationship between today's financial decisions and future financial freedom. The program teaches skills that institute financial literacy and motivate students, creating self-confidence and excitement for future independent opportunities.

Volunteer Overview

Volunteers will be teaching sessions 1-3 of the JA Personal Finance 2.0 Program in all ninth grade freshman seminar classes in the Akron Public School District (APS). JA will provide all lesson plans, interactive slide decks and materials needed while volunteers are encouraged to share their own real life stories and examples during each presentation. Classroom teachers will be present at all times to provide assistance. By participating with JA's Personal Finance Program students will learn about earning income, budgeting, savings and investment, credit and debt, smart shopping and much more.

Specific Tasks & Next Steps:
